EDUCATION

AESC MSU	**09 2020 – 06 2021**
Student	*Moscow, Russia*
ITMO	**09 2021 – now**
Bachelor of Computer Science	*Saint-Petersburg, Russia*

CONTESTS

Participation in the educational shift Educational Center "SIRIUS"	**2019**
Participant	
Olympiad Cognitive Technologies in programming	**2020**
Winner	
Olympiad HSE University in programming	**2020**
Prize-winner	
Participation in the educational program "Moscow Workshop Junior"	**2020**
Participant	
Olympiad SPbU in programming	**2021**
Prize-winner	
Participation in $\frac{1}{4}$ ICPC	**2021**
Participant	

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Operating Systems
- OOPS Concept
- Calculus
- Discrete Maths

PROJECTS

Suggestion search system | C++ — **04 2022**
- About project **Gets logs of users' search history and suggests top-5 suggestion for users' query.**

Auto Contrast Enhancer | C++, OpenMP — **01 2022**
- About project **Program that can enhance contrast of PPM of PBM image.**

Expression Parser | Java — **11 2021**
- About project **Parse string expression to object in Java. Demonstration of Java's OOP**.

Expression library & Expression Parser C++ | C++ — **02 2022**
- About Project **Parse string expression to classes in C++**

TECHNICAL SKILLS

Languages: C++, C, Python, Java
Developer Tools: VS Code, Android Studio, Intellij Idea, CLion
Technologies/Frameworks: Linux, GitHub, Git
